Chairman's Letter to Shareholders and Notice of Annual General Meeting

Dear Shareholder

It is with pleasure that I write to invite you to our 2012 Annual General Meeting (the 'Meeting' or 'AGM') which will be held again at Kings Place, 90 York Way, London N1 9AG on Thursday 10 May 2012 at 2.00pm. Full details of how to find the venue are provided on page 12.

A number of changes to your Board have taken place during the year. I was delighted to welcome three outstanding new Non-Executive Directors, Joaquín Ayuso, Chris Muntwyler and Lee Sander who together bring a wealth of knowledge and breadth of experience to the Board. Roger Devlin retired from the Board on 28 June 2011 and Miranda Curtis has decided to stand down at the close of this year's AGM. We thank them both for their valuable contribution.

You will see from your Notice of Meeting that this year your Board has adopted the recommendation in the UK Corporate Governance Code that Directors of FTSE 350 companies stand for annual election by shareholders. Your Board considers annually the performance of all the Directors and, following this review, the Board considers that all Directors continue to make a valuable contribution and their re-election is therefore recommended. The Board is also recommending the election of Joaquín Ayuso, Lee Sander and Chris Muntwyler. Further to comments received from shareholders at last year's AGM, we have included full biographical details in the Notice of Meeting for each Director and these can be found on pages 10 to 11.

The AGM is an important event in the National Express calendar. It provides shareholders with an update on the Company's performance and an opportunity for you to ask questions and vote on the items of business. I therefore invite you to join us at the AGM and take advantage of the opportunity to meet your Directors and members of the senior management team.

Your vote is important to us and if you cannot attend the Meeting but would like to vote on the resolutions to be considered, you can appoint a proxy by completing the enclosed Form of Proxy and returning this to our Registrar, Equiniti. Please note that your proxy appointment must be received by Equiniti by not later than 2.00pm on 8 May 2012. Alternatively you may register your proxy appointment and voting instruction electronically at our Registrar's website www.sharevote.co.uk. For further details on appointing a proxy please see page 7 of the Notice of Meeting.

The Board recommends that you vote in favour of all the proposed resolutions contained in the Notice of Meeting as they intend to do in respect of their own shareholdings.

I look forward to meeting you on 10 May 2012.

John Devaney
Chairman

That, subject to the passing of resolution 15 above, the Directors be given power pursuant to sections 570(1) and 573 of the Companies Act 2006 (the 'Act') to:

and shall expire at the conclusion of the next annual general meeting of the Company (or, if earlier, on 30 June 2013), save that the Company may before such expiry make any offer or agreement that would or might require equity securities to be allotted, or treasury shares to be sold, after such expiry and the Directors may allot equity securities, or sell treasury shares, in pursuance of any such offer or agreement as if the power conferred hereby had not expired.

Resolution 17

That the Company be generally and unconditionally authorised for the purposes of section 701 of the Companies Act 2006 (the 'Act') to make market purchases (within the meaning of Section 693(4) of the Act) of the Company's ordinary shares on such terms and in such manner as the Directors shall determine, provided that:

- (a) the maximum aggregate number of ordinary shares which may be purchased is 51,172,602, representing approximately 10% of the issued share capital of the Company as at 9 March 2012;
- (b) the minimum price which may be paid for each ordinary share is 5 pence which amount shall be exclusive of expenses, if any;
- (c) the maximum price (exclusive of expenses) which may be paid for each ordinary share is an amount equal to 105% of the average middle market quotations of the Company's ordinary shares, as derived from the Daily Official List published by the London Stock Exchange plc for the five business days prior to the date on which such share is contracted to be purchased;

- (b) make political donations to political organisations (other than political parties); and
- (c) incur political expenditure,

in a total aggregate amount not exceeding £100,000 during the period beginning with the date of the passing of this resolution and ending at the conclusion of the next annual general meeting of the Company (or, if earlier, on 30 June 2013). For the purposes of this resolution 'political donation', 'political party', 'political organisation', 'independent election candidate' and 'political expenditure' are to be construed in accordance with Sections 363, 364 and 365 of the Act.

Resolution 19

That a general meeting of the Company (other than an annual general meeting) may be called on not less than 14 clear days' notice.

By order of the Board

Michael Hampson
Company Secretary
28 March 2012

Resolutions 1 to 15 and 18 will be proposed as ordinary resolutions and resolutions 16, 17, and 19 will be proposed as special resolutions. To pass special resolutions 75% or more of the votes cast must be in favour.

Resolution 1 – Annual Report and Accounts

The Directors are required to present to the AGM the accounts and the reports of the Directors and auditor for the financial year ended 31 December 2011. The full Annual Report and Accounts may be accessed on the Company's website (www.nationalexpressgroup.com/ar2011) or, alternatively, a copy may be obtained by writing to the Company Secretary at National Express Group PLC, National Express House, Birmingham Coach Station, Mill Lane, Digbeth, Birmingham B5 6DD.

Resolution 2 – Directors' Remuneration Report

The Directors are required to seek approval of the shareholders for the Directors' Remuneration Report. The resolution is an advisory vote, as permitted by law, and no entitlement to remuneration is made conditional on the resolution being passed. The Directors' Remuneration Report is set out in full in the Annual Report and Accounts. The full Directors' Remuneration Report may also be accessed on the Company's website at www.nationalexpressgroup.com.

Resolution 3 – Final dividend

The Directors recommend a final dividend of 6.5 pence per ordinary share for the financial year ended 31 December 2011. The final dividend cannot exceed the amount recommended by the Directors. If approved by shareholders, the final dividend will be paid on 18 May 2012 to those ordinary shareholders on the register of members as at the close of business on 27 April 2012.

Resolutions 4 to 9 – Re-election of Directors

Pursuant to the Company's Articles of Association, one-third of the Directors, or the number nearest to but not exceeding one-third of the Directors must retire. A retiring Director is eligible to stand for re-appointment. In addition, any Director who has held office for three years or more since their last appointment must retire and stand for re-appointment. In accordance with the Articles of Association, Jorge Cosmen, Miranda Curtis and John Devaney are retiring by rotation at the AGM. Jorge Cosmen and John Devaney being eligible, will offer themselves for re-election. Miranda Curtis, having decided to stand down at the close of this year's AGM, will not be standing for re-election.

The Directors have decided to support the principles of good governance outlined in the new UK Corporate Governance Code (the 'Code') which was published by the Financial Reporting Council in June 2010 and which has replaced the Combined Code on Corporate Governance. The new Code recommends that all directors of FTSE 350 companies should be subject to annual election by shareholders. Accordingly, all of the remaining Directors of the Company currently in office will also offer themselves for re-election at this year's AGM.

Biographies of the Directors standing for re-election appear on pages 10 to 11 of this Notice. The Board considers annually the performance of all the Directors. Following this review the Board believes the performance of all the Directors standing for re-election continues to be effective and that they demonstrate commitment to their roles. The Board therefore recommends each one for re-election.

Resolutions 10 to 12 – Election of Directors

In accordance with the Company's Articles of Association, any Director newly appointed by the Board since the date of the last AGM of the Company shall stand for election to the Board by shareholders at the following AGM. Chris Muntwyler is standing for election by shareholders as a Non-Executive Director following his appointment on 11 May 2011. Joaquín Ayuso and Lee Sander are also standing for election as Non-Executive Directors following their appointments on 1 June 2011. Biographies of the Directors standing for election appear on pages 10 to 11 of this Notice. Chris Muntwyler, Joaquín Ayuso and Lee Sander have brought considerable experience to the Board and have contributed effectively to the Board's discussions. The Board recommends that Chris Muntwyler, Joaquín Ayuso and Lee Sander be elected as Directors.

Resolutions 13 and 14 – The auditor

Following a competitive tender process during the year, Ernst & Young LLP resigned as the Company's auditor on 10 June 2011 and Deloitte LLP were appointed in their place on 14 June 2011. Deloitte LLP have expressed their willingness to continue in office as auditor of the Company and their re-appointment will be put to shareholders at the AGM. As is customary each year, shareholders will also be asked to agree that the Directors may approve the remuneration of the Company's auditor.

Resolution 15 – Authority to allot shares

Your Directors may allot shares and rights to subscribe for, or convert any security into, shares only if authorised to do so by shareholders. The like authorities granted at the last AGM are due to expire at this year's AGM. Accordingly, resolution 15 will be proposed as an ordinary resolution to grant new authorities to allot shares and rights to subscribe for, or convert any security into, shares. If given, these authorities will expire at the conclusion of the AGM of the Company in 2013 (or, if earlier, on 30 June 2013).

Paragraph (a) of resolution 15 will allow the Directors to allot ordinary shares up to a maximum nominal amount of £8,528,767, representing approximately one third of the Company's existing issued share capital as at 9 March 2012, being the latest practicable date prior to publication of this Notice. In accordance with the latest institutional guidelines issued by the Association of British Insurers (the 'ABI'), paragraph (b) of resolution 15 will also allow Directors to allot, including the ordinary shares referred to in paragraph (a) of resolution 15, further ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £17,057,534, representing approximately two thirds of the Company's existing issued share capital calculated as at 9 March 2012.

Your Directors have no present intention of exercising these authorities. However, if they do exercise the authority conferred by resolution 15(b), the Directors intend to follow best practice as regards its use as recommended by the ABI.

Resolution 16 – Authority to disapply pre-emption rights

Your Directors also require additional authority from shareholders to allot equity securities or sell treasury shares where they propose to do so for cash and otherwise than to existing shareholders pro rata to their holdings. The authority granted at the last AGM is due to expire at this year's AGM. Accordingly, resolution 16 will be proposed as a special resolution to grant such authority. Apart from offers or invitations in proportion to the respective number of shares held, the power will be limited to the allotment of equity securities and sale of treasury shares for cash up to an aggregate nominal value of £1,279,315 which represents approximately 5% of the issued share capital of the Company as at 9 March 2012, being the latest practicable date before publication of this Notice. If given, this authority will expire at the conclusion of the AGM of the Company in 2013 (or, if earlier, 30 June 2013). Your Directors will have due regard to institutional guidelines in relation to any exercise of this power, in particular the requirement for advance consultation and explanation before making any non pre-emptive cash issue pursuant to this resolution which exceeds 7.5% of the Company's issued share capital (including treasury shares) in any rolling three-year period.

Resolution 17 – Authority for the Company to purchase its own shares

The Company may buy its own shares with the authority of shareholders. Resolution 17, which will be proposed as a special resolution, seeks to renew the current authority given at the 2011 AGM of the Company until the conclusion of the AGM in 2013 (or, if earlier, until 30 June 2013). The resolution specifies the maximum number of shares that may be purchased, which represents approximately 10% of the Company's issued share capital, as at 9 March 2012, being the latest practicable date before publication of this Notice. Resolution 17 also specifies the highest and lowest prices at which shares may be purchased by the Company under this authority.

Any shares purchased under this authority will either be treated as cancelled or held as treasury shares. Listed companies, with authorisation from shareholders, may buy and hold their own shares in treasury instead of cancelling them immediately. Shares held as treasury shares can in the future be cancelled, re-sold or used to provide shares for employee share schemes.

For information, as at the date of this Notice, there were 211,943 options outstanding over the Company's shares representing approximately 0.04% of the issued share capital of the Company. If the full authority conferred by this resolution is used, these options will represent 0.05% of the then issued share capital of the Company. The like authority given at the 2011 annual general meeting of the Company was not used during the year and at present there are no immediate plans to use the authority conferred by resolution 17. If resolution 17 is approved, this authority will be used only if it is likely to lead to an increase in earnings per share and the Directors are satisfied that this is in the best long-term interests of the shareholders.

Resolution 18 – Political Parties, Elections and Referendums Act 2000 as incorporated into Part 14 of the Companies Act 2006

The Political Parties, Elections and Referendums Act 2000 (the 'PPER Act') requires companies to obtain shareholder authority before they can make donations to political organisations (which include UK political parties). It remains the Company's policy not to make donations to political parties and the Company has no intention of using the authority for this purpose. It may, however, incur expenditure such as advertising, sponsorship or attendance at events organised by political parties, or the hiring of stands and exhibition space at national and regional political conferences which may fall within the wide definition of 'donations' under the PPER Act and for which shareholder approval is required. Resolution 18 seeks authority for the Company and its subsidiaries to incur such expenditure up to a maximum of £100,000 in aggregate.

Resolution 19 – Approval for the calling of meetings (other than annual general meetings) on 14 days' notice

The Act, as amended by the Companies (Shareholders' Rights) Regulations 2009, requires the Company to give at least 21 clear days' notice for a general meeting of the Company unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. (AGMs must continue to be held on at least 21 clear days' notice.) Resolution 19, which will be proposed as a special resolution, seeks shareholder approval to preserve the ability of the Company to call general meetings, other than annual general meetings, on at least 14 clear days' notice. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

The flexibility offered by this resolution will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at the meeting in question and where it is thought to be to the advantage of shareholders as a whole.

The changes to the Act mean that in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

Proxies

A shareholder is entitled to appoint another person as his proxy to exercise all or any of his rights to attend, to speak and to vote at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or different shares held by them. A proxy need not be a shareholder of the Company.

If shareholders wish to appoint a proxy, they should complete a Form of Proxy (a Form of Proxy is enclosed with this Notice) and send it to Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA to be received not later than 2.00pm on 8 May 2012. Shareholders may also appoint a proxy online using the service provided by the Company's Registrars at www.sharevote.co.uk or, if they are a CREST member, by using the electronic proxy service provided by Euroclear (see further details on page 9). The valid appointment of a proxy will not prevent a shareholder from attending and voting at the AGM in person, should they wish to do so.

Information for participants in the Travel West Midlands Share Incentive Plan

If you are a participant in the TWM Share Incentive Plan you may instruct the Trustees to vote the shares held by them on your behalf by completing the enclosed Direction Form. To be effective the Direction Form must be received by the Trustees no later than 2.00pm on 3 May 2012.

Voting at the AGM

Voting at the Meeting will be conducted on a poll using an electronic system called Votenow provided by Equiniti, the Company's Registrar, rather than a show of hands. The Directors believe that this produces more democratic results, as all shares represented at the Meeting and those lodged before the Meeting are included in the results of the voting on a one share one vote basis. The results of the voting on each resolution will be made available at the Meeting and published on the Company's website www.nationalexpressgroup.com.

Right to attend and vote

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 (the 'Regulations'), the Company specifies that in order to have the right to attend and vote at the Meeting (and also for the purpose of determining how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the Company at 6.00pm on 8 May 2012 or, in the event of any adjournment, at 6.00pm on the date which is two days before the day of the adjourned Meeting, excluding any day which is not a working day. Changes to entries on the register of members after this time shall be disregarded in determining the right of any person to attend or vote at the Meeting.

Documents on display

The following documents will be available for inspection at the registered office of the Company during usual business hours on any weekday (public holidays excluded) from the date of this Notice until the AGM and will be available for inspection at the AGM 15 minutes prior to the start of the Meeting until its conclusion:

- (a) Executive Directors' service contracts and Non-Executive Directors' terms of appointment; and
- (b) terms of reference of the Audit, Nomination, Remuneration and Safety Committees.

Nominated Persons

A copy of this Notice has been sent for information only to persons who have been nominated by a shareholder (each a 'Nominated Person') to enjoy information rights under section 146 of the Companies Act 2006 (the 'Act'). The rights to appoint a proxy cannot be exercised by a Nominated Person: they can only be exercised by the shareholder. However a Nominated Person may have a right under an agreement between him and the shareholder by whom he was nominated to be appointed as a proxy for the AGM or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the shareholder as to the exercise of voting rights.

Voting by corporate representatives

A shareholder of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the AGM. In accordance with the provisions of the Act, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual shareholder of the Company, provided that they do not do so in relation to the same shares. It is no longer necessary to nominate a designated corporate representative.

Member's right to ask questions

All shareholders and their proxies attending the AGM have the right to ask questions. When invited by the Chairman, if you wish to ask a question, please wait for a Company representative to hand you a microphone. It would be helpful if you could state your name before you ask your question. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no answer need be given if (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered. The Chairman may also nominate a Company representative to answer a specific question after the Meeting or refer the shareholder or proxy to information on the Company's website.

AGM resolutions/business

Under section 338 and section 338A of the Act, members meeting the threshold requirements in those sections have the right to require the Company (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than the date six clear weeks before the meeting, and (in the case of a matter to be included on the business only) must be accompanied by a statement setting out the grounds for the request.

Total number of shares and voting rights

As at 9 March 2012, being the latest practicable date prior to the publication of this Notice, the Company's issued share capital consisted of 511,726,026 ordinary shares (carrying one vote each). Therefore, the total voting rights in the Company at that date were 511,726,026.

Website publication of audit concerns

Under section 527 of the Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 47 of the Act, (in each case) that the shareholders propose to raise at the relevant meeting. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor no later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required under section 527 of the Act to publish on a website.

If you are a CREST personal member, a CREST sponsored member or a CREST member that has appointed a voting service provider you should request the sponsor or voting service provider to take the appropriate action on your behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST proxy instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Equiniti Limited (ID RA19) no later than 48 hours before the time at which the Meeting is due to begin excluding any part of a day which is not a working day. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which our Registrar will be able to retrieve the message by enquiry to CREST in the manner prescribed in CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

Euroclear does not make available special procedures for any particular messages. Normal system timings and limitations therefore apply in relation to the input of CREST proxy instructions. CREST members (or appointee members) are responsible for taking (or arranging for their CREST sponsor or voting service provider to take) any necessary action to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and CREST sponsors or voting service providers are referred to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

National Express Group PLC may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Regulations.

Communication

You may not use any electronic address (within the meaning of Section 333(4) of the Act) provided in this Notice (or in any related documents including the Chairman's letter and Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.
